WEDDINGS AT LEWES CASTLE

UNIQUE AND HISTORIC VENUE FOR INTIMATE
CEREMONIES AND RECEPTIONS

Lewes Castle is a beautiful 1,000-year-old romantic ruin which offers panoramic views of the Sussex countryside from its West Tower Gardens right at the top and/or the charming enclosed Gun Gardens with Pavilion at the bottom. For those looking for a totally unique venue, steeped in Medieval history, for a civil ceremony and/or reception, Lewes Castle really is the ultimate venue.

The Keep Garden, which is situated under the ancient West Tower archway and accessed via 125 steps, is framed by beautiful rose bushes and has spectacular views of the rolling countryside and old town of Lewes. The Keep Garden provides space for a seated wedding ceremony of up to 50, and up to 80 if a mix of seated and standing.

The Gun Garden, a beautiful walled garden at the bottom of the castle ruins, which is ideal for wedding receptions and ceremonies for up to 50 guests. You can hire the space for the whole day, or just for a ceremony. Lewes Castle is a very special place to host a beautiful but relaxed wedding reception, with alfresco style food such as picnic hampers or grazing tables provided by one of our excellent local caterers.
