WEDDINGS AT

ANNE OF CLEVES HOUSE

Anne of Cleves House is a historic and stunning 15th century timber-framed medieval house, with beautiful grounds and gardens and is perfect for intimate wedding ceremonies and drinks receptions.

Accommodating up to 50 people, the East Room is adorned with original oak wood beams, large Medieval fireplace, original furniture and a brick tile floor and brings a delightful and romantic Tudor charm to intimate ceremonies. The Tudor Garden is perfect for the after-ceremony drinks receptions and photographs and is inspired by traditional Tudor planting which includes aromatic herbs, shrubs and fruit trees. Should poor weather rule this out, the upstairs of the House can be made available for a drinks reception.

Weddings at Anne of Cleves include a half day hire for ceremony and drinks reception, with a full day venue hire including exclusive and private use of the house and gardens available on request. Open for weddings all year round, there is a large open fire which can be lit for cooler days.

Due to the historic nature of the site, only preferred caterers can be used. There is no corkage fee.
